## Here's what attendees said about BIOMEDevice Boston 2022...

"Great opportunity to (1) meet new potential suppliers and (2) stay up-to-date on latest products and industry trends"

"I already recommended BIOMEDevice Boston to several colleagues. I felt it was a good opportunity for us to connect with possible suppliers"

"[It] provides a forum to see what's new and emerging in the medical device field as well as access to suppliers that support companies such as ours that manufacture goods for the medical industry"

"A great opportunity [to] speak with exhibitors from companies that could offer beneficial products/ services, [and] to learn what else is out there in the realm of medical devices. It was a great learning experience overall "
